TERMS AND CONDITIONS: Florida Public Utilities' Energy Conservation Programs are provided in accordance with PSC Docket No. 130167-EG unless suspended by the Florida Public Service Commission. Rebates apply to Florida Public Utilities customers who have a current gas account in good standing. Limit one rebate for each eligible appliance. Leased and used appliances not eligible for rebate. Maximum rebate of up to \$10,000 per account per year for appliances rebated under the New Construction and Retention (Gas to Gas) programs. Appliances replaced under the Retention (Gas to Gas) program must meet age and condition requirements to qualify. Rebate payments will only be issued to qualifying FPUC customers or FPUC Energy Partners. Please contact FPUC or visit www.FPUC.com/CommercialRebates for more complete details regarding rebate categories, industry definitions and other factors that may influence rebate amounts and eligibility. Florida Public Utilities is in no way responsible for the installation or quality of natural gas appliance(s) for which you submit a rebate claim. Any concerns regarding installation should be directed to your installer. Florida Public Utilities reserves the right to substantiate sales receipts and installation information, to request additional documentation or to deny rebate requests if the information provided is not complete, cannot be substantiated or does not meet eligibility requirements. Rebates will be paid in U.S dollars. Florida Public Utilities is not responsible for lost or misdirected mail. Your rebate rights cannot be transferred as this offer is void where taxed restricted or prohibited by law Warning: Fraudulent submissions could result in federal prosecution under mail fraud statutes (Title 18, USC Sections 1341 & 1342). Please keep a copy of your submission for you records.
